LOGISTICS

OVER 20 YEARS OF TRANSPORTATION EXPERIENCE

Outstanding in the movement of your products to market

Whether you are looking to outsource all your transportation needs or just one load per week, L.J. Rogers Logistics, Inc. provides competitive rates, on-time delivery and a headache-free service. We can create a strategy that streamlines your company's transportation flow. Use our experienced traffic and operations staff as an extension of your own. Simplify relations with vendors, customers, and carriers. We can accommodate shipments by dry van, refrigerated trailers, flatbeds, and specialized equipment. You'll get the best service for your shipment, at the most cost-effective price.

L.J. Rogers Logistics is dedicated to finding new processes, technologies and strategies to save you time and money while improving service. We work with you to exceed expectations, tailor a solution to fit your specific transportation needs. Analyze your situation and information based on lane patterns, customer demand, delivery requirements, and equipment utilization. With this, we can determine the most beneficial cost structure. We'll explore every opportunity to minimize your total logistics costs. Utilize proven management techniques to solve your transportation challenges.

Satisfying customers has never been more important. In today's global economy where logistics and transportation play a vital link, L.J. Rogers Logistics and our operating companies are our customers' greatest advantage.

- Comprehensive carrier selection, negotiation and management
- Rates analysis and comparison
- Load optimization
- Claims filing
- Guaranteed access to company management during business hours
- EDI services and automation to reduce administrative costs and speed process of order filling
- Leading edge technology from dispatch to accounting and safety
- 125,000 square feet of secure warehouse space at our North Carolina headquarters plus undeveloped land that we can use for additional buildings.

A privately held transportation management and logistics company headquartered in Mebane, North Carolina, L.J. Rogers Logistics, Inc. operates under the transportation holding company of L.J. Rogers, Inc. Its sister company, L.J. Rogers Trucking complements the group by providing access to truckload operation resources such as a fleet of high-performance trucks and the best professional drivers available allowing for a more comprehensive truckload service.

Family owned and operated since 1987, its still small enough to provide responsive service, yet large enough to meet the exacting needs of Fortune 500 companies. Between their headquarters in Mebane, NC and terminal locations in Sellersburg, Indiana and Suwanee, Georgia, L.J. Rogers, Inc., has firmly established markets in the Southeast, Northeast and Midwest.
